

# TRANSLATION COURSE START!

2023/06/05 ~ 2023/06/30

20 classes (14 Normal, 6 Special)

(Special classes are seminars also suitable for Japanese participants)

## ★Translation Course (Japanese-English, English-Japanese)

This is a course aimed at Japanese language students who are aiming to work in the translation industry in the future. This hands-on course features a strong emphasis on teaching practical skills required in everyday translation. Students will benefit from strengthening their all-round Japanese language ability and gain a deeper understanding of what it takes to succeed as a professional translator. The course also includes invaluable work experience at a translation company, as well as six special seminars taught by highly experienced professional translators.

★Target Learners - English speaking Japanese language learners/JLPT N2 or above

★Course Duration - 1 month

★COURSE DATES - 2023/06/05 ~ 2023/06/30
